PARCOURS AND POINTS OF INTEREST

➡ From the car park, walk 300m to the Théâtre du Peuple. This huge wooden building, listed as an "Historical monument", is a unique place in France.

➡ Go past the "Théâtre du Peuple". After the theater turn right on the road "Route des Champs Colnots" and follow the mark "Sentier des Chèvres" (yellow ring). Continue on this road for 600 meters.

Look at the landscape : in front of you, The Ballon de Servance with its antenna. On your left, the former ski aera "La Bouloie". In your back the mowned mountain is the Drumont with its Farm Inn.

➡ Go past the Maison familiale de Villers-les-Nancy, continue on 150m, turn on the right and follow the yellow ring. Turn left, pass along a first farm. After the second farm (Nr18), turn right and 100 meters further you take the steep path that goes up on the left (yellow ring).

➡ Follow those marks on almost 1km.

If you take the path with the blue cross mark you reach the Roche du Frey with an amazing panorama view. Come back and continue the walk

➡ Walk through the grazing area, please take care that you have closed the metallic fence well. The path leads on a tarred road, in opposite of a house.

Here you can short the walk by the road on your left (route des champs colnots) and to join the Théâtre du Peuple.

➡ Take the path that is in opposite of you and walk along the house and follow the mark with the reference "Sentier des Chèvres - le lait" (yellow ring). Go on this path for 600m . You will see the village of St Maurice sur Moselle with its church.

➡ The path leads down on a street. Turn left and go on this road in the direction Bussang. Walk along the restaurant "l'Auberge des Fontaines" and its animal park.

➡ This road leads you to the road «Route des Champs Colnots» which takes you along the mission cross and the oak called "Oak of the Pentecost" .

➡ Continue on this road to reach the "Théâtre du Peuple" and finally the car park.

FOR THE CHILDREN

On the way back, watch the animals in the park at the Auberge des Fontaines. Will you be able to mimic them?

All the family, collect materials from nature (leaves, stones, etc...) and create an imaginary animal all together!

DID YOU KNOW THAT... ?

➡ The Théâtre du Peuple was created in 1895 by Maurice Pottecher, a writer and poet from Bussang, to bring culture closer to the working class population of his village, hence the motto "Through Art for Humanity".

The Theater is known worldwide for its backdrop that opens onto the forest. Every summer, the festival Les Estivales is organized there, gathering more than 30000 spectators.

Adeline, from the tourist office

It is an ideal hike on sunny days because part of the route is in the forest. This passage in the undergrowth can be an opportunity to practice land'art with your kids. on the route, you will walk along the animal park, adjoining the Auberge des Fontaines, where a herd of fallow deers, a family of goats and other animals live together. The children love it, of course !
